Discipleship is Changing Your Focus...

**STOP FOCUSING ON BECOMING
AND BECOME ENTHUSIASTIC
ABOUT FOLLOWING
THE ILLUSION OF BECOMING**

Like the illusion on the front page, the typical Christian discipleship program has the process of transforming people upside down. When it comes to making Christians...we focus on the need to *repent and believe*. But, once they are Christians, our focus becomes trying **to make them become** through careful study and application of God's good truth. But, when you analyze Christ's simple discipleship invitation, it becomes evident...it is my role to learn to **follow Him** and it His responsibility **to make me become...**
